2. The term of this Agreement is for one year, beginning on _____. The Agreement shall automatically renew for successive one year periods unless either party cancels the Agreement in writing.
3. This Agreement is **NOT A HEALTH INSURANCE POLICY**. It does not cover services or care given at any other facility than the participating clinics as shown below. This Agreement includes only the specific services as outlined in Section 18 below and does not include any major catastrophic medical care provided by emergency rooms, hospitals, urgent care centers, services rendered by specialists or specialty clinics, or other entities not outlined specifically as a participating clinic. Member(s) further understand(s) that participation in the Agreement by the clinics shown does not necessarily mean that every healthcare provider working at the participating clinics is also participating in providing services to Member(s).
4. Adult Members participating in the Agreement may sign up a spouse or dependents under additional private agreements. A valid picture ID is required to enroll in a membership and will be required to verify identity before receiving membership services, except in the case of a minor enrolled in the membership, who must be accompanied by a parent or legal guardian that is also enrolled in the membership.
5. At the date of this Agreement, membership fee is \$39.00 (Introductory Rate) per individual.

Initial charge will include the first month's dues. Member shall update credit card, debit card, or banking information when necessary and in a timely manner and will be responsible for any amounts owed to Faith regardless of whether the account or card is expired, cancelled, or otherwise not accepted for payment. Member(s) agree to pay a \$25 added charge for each time the Member(s) account declines payment of the monthly charge per individual or member.

7. This Agreement authorizes Faith to keep credit card, debit card, or banking information on file, and to charge the Member's applicable account for monthly fees without requiring Faith to obtain written authorization for each new charge. Member will be charged a one-time enrollment fee of \$25.00 per individual signed up.

Member(s) understand(s) that there may be additional charges for equipment, laboratory, referral, or other services that are ordered through outside entities or providers as a result of care given by a participating clinic or provider. This Agreement does not cover additional charges for such items. Only the services specifically outlined on services offered sheet are covered by the membership fees. If a participating clinic or provider renders services beyond the scope of this Agreement, there will be added charges. **Member(s) agree to pay for these additional charges at the time of service.** If these or any other additional charges are not paid at the time of service, Member(s) agree to allow Faith to charge the Member(s) account(s) on file for those amounts.
12. Member(s) will be charged a \$49.00 co-pay per office visit in addition to the monthly membership fee. This fee must also be paid at the time of service.
